Why sponsorship data is so hard to find

Letter two of five for founding members. Every quarter the government publishes who filed which petitions — and every quarter that file lands as a spreadsheet nobody can job-search inside.

Here's how we turn eleven years of filings into the one line you actually need: *does this company sponsor people like me, and did they do it recently?*

You're on the list

Jaithraya finds roles at companies that actually sponsor F-1, OPT and H-1B candidates — then applies for you. Here's what lands in your inbox next:

- A weekly shortlist of sponsor-friendly roles for your field
- Plain-language notes on OPT and STEM-OPT timing
- An invite the week we open your city

Your Pro plan pauses on Aug 20 if the payment doesn't go through.

We couldn't charge your card

The \$29.00 charge on Aug 13 was declined by your bank (insufficient funds). Visa ···· 4242. We'll retry automatically on **Aug 16** and again on Aug 19.

Applications already in flight will still go out. Nothing is deleted if the plan pauses — your shortlists and résumé versions stay put.
